AUCTION DONATION FORM

Personal Ponies Ltd. is a unique national non-profit charity dedicated to providing children with special needs a Miniature Shetland pony to love and care for completely FREE OF CHARGE. In addition to placing ponies as a gift, the charity provides visits to hospitals, schools with exceptional education programs, nursing homes, learning centers such as EASTER SEALS, and the ARC - anywhere our ponies special touch is needed. Groups such as JARC and Gold Coast Downs Syndrome Association visit the farm and spend special "Therapeutic Pony Time". Almost EVERY day of the year, disabled children benefit from private sessions at our farm. We believe that the lives of these children are immeasurably enriched!

On Friday, April 27, 2012 Personal Ponies will be hosting our annual fundraiser which will include a SILENT AUCTION. Please consider donating a gift item or gift certificate for our silent auction. Since there is never a fee charged to a family or facility, Personal Ponies relies on generous donations from the community; 100% of every donation goes directly into the program! We are a tax-exempt organization as described in 501(C) (3) of the Internal Revenue Code EIN#16-1485250. All items and services donated to Personal Ponies are tax deductible to the extent provided by law. Your generosity will go a long way!

Thank you for considering our request. If you have any questions about Personal Ponies or the fundraising event, please don't hesitate to call me at (561)445-4456.

Sincerely yours,

Sandra Seiden

Florida State Director
